

The Rotary Club of Greater Rochester

Dear New Member-

Welcome to Greater Rochester Rotary! We're so excited to have you join us by becoming involved in the many avenues of our club. We recognize new members by wearing a red badge until they have completed a few checkpoints on our **Club Task List**. Once your task list has been completed at 10 points and approved by a Club Service Director or Board Member, you will then be issued a blue member badge. At this point you should have some experience with club events and procedures. We really look forward to getting to know you and seeing the good work you can involve yourself with in Greater Rochester Rotary.
