Accepting Applications for the Global Grant Scholarship

The Rotary District is accepting applications for the 2013 school year

Dear Greater Rochester Rotarians: Where did January go? We have hit February which is World Understanding Month for Rotary.

World Understanding in Rotary is realizing what Rotary does in the world, and how we all can make the difference, if only a little bit. Remember all of us should try to donate, even a dollar, to the Rotary Foundation. This could help end Polio, by providing running and sanitary water in developing countries.

We should also try to improve things in our community. Participating in Strive, or helping out in other ways, helps strengthen our community. I hope everyone tries to give to the community and even the world this month.

Anyone interested in doing a polar plunge at Grumpy Old Man Days? If you are, see me. It is a great way to support other Rotary groups, and a good social event for Greater Rochester.

See ya on Wednesday!!

The following are criteria for scholarships:

- \*Post secondary degree
- \*Outside United States
- \*Must be in one of the areas of focus for Rotary
- \*Live and work in District

If interested see website [www. 5960rotary.org](http://www.5960rotary.org) and look under global grant sholarships
